## The Devil's Graveyard

**Anonymous**

### Description

The Devil's Graveyard is an area of desert. Its only habitations are a small roadside gas station, and a giant hotel, where the final of the *Back From the Dead* singing competition is held, in which contestants compete by impersonating dead stars. Except that someone is killing them off . . . And there are other killers out there, too - not to mention zombies . . . Featuring characters from *The Book With No Name* and *The Eye of the Moon*, this is a show where anything goes and anyone can enter. Even the judges aren't quite what they seem. Sanchez, Elvis, the Mystic Lady, a whole bunch of dead rock stars and, of course, the Bourbon Kid are headed to the Hotel Pasadena for what is quite literally the most cut-throat reality show there's ever been. Dreams will be crushed, deals will be made and blood will be spilled. *The Devil's Graveyard* is a rip-roaring addition to the series by the author with no name, which is guaranteed to be every bit as gory, fast-paced and adrenaline-pumping as the previous novels. Not to be missed!
