

## **A Match Made In Heaven**

There's nothing like a story of a nice engagement to warm the heart. Although the same can't be said for this story . . .

### **Actually, I don't think I do**

If live television teaches us anything it is: DO NOT USE IT TO PROPOSE TO YOUR PARTNER. For every one hundred accepted proposals, there are three angry 'What?' responses. And nobody, not even you, wants to be on the receiving end of one of those three.

**Host #1:** We've got a little surprise for you out there in TV land, and here in the studio audience. Nobody knows what's going on next.

**Host #2:** I want to do something kind of special.

This was not scripted, this was not a plan.

Nobody knows this is about to happen. So not only are you watching this at home for the first time, all the people in the audience are watching it for the first time too. So, is there a Mike in the audience? Everybody give a nice round of applause for Mike!
