Extreme Bricks Spectacular, Record-Breaking and Astounding LEGO Projects from Around the World

Sarah Herman

Description

From the Great Pyramid of Giza and Hogwarts, to a fully functioning harpsichord and James May's LEGO house, man has never shied away from an extreme building challenge, and the LEGO builders of the twenty-first century are no different. Whether they're re-creating the works of ancient masters in brick form or building life-size superheroes, some LEGO fans are taking their passion for plastic to the extreme. Sarah Herman has brought together some of the world's most ambitious builders in a fact-filled showcase of truly mind-blowing models for this exciting illustrated book that will delight all AFOLs (adult fans of LEGO).
