

I am a Wonder Woman
Inspiring activities to try. Incredible women to discover.

Ellen Bailey (Illustrated By Sophie Beer)

Keynote

An inspirational look at some of the most amazing women in history, complete with creative fill-in elements to spark imagination.

Description

An inspirational look at some of the most amazing women in history, complete with creative fill-in elements to spark imagination.

Every page of this book is filled with aspirational and astounding stories about the most influential women to have ever lived. What's more, readers can step into the lives of these inspirational figures with unique activities, creative questions to answer and captivating topics to give thought to.

With quirky artwork to bring each story to life, readers can travel the globe and discover remarkable women from across the world, from every kind of profession, with every kind of talent. From American aviator Amelia Earhart and Danish spy Brita Tott, to the Polish physicist Marie Curie and Mexican activist Eufrosina Cruz.

Sales Points

- This book tells the inspirational stories of the most influential women in history
- Contains fill-in activities and ideas to spark imagination
- Features women from across the world

Author Biography

Ellen Nowak (Author)

Ellen grew up in Cambridge and spent her childhood making up games, putting on plays, and writing a magazine for all the children living in her street. After studying English Literature she worked as a children's book editor for a few years before moving into the charity sector. She lives with her husband and baby daughter, and is the author of a variety of bestselling activity books and annuals.

Sophie Beer (Author)

Sophie Beer is a freelance illustrator and writer. She studied law at university but found that unutterably dull and now works primarily in children's and editorial illustration. She is perpetually astounded that she has somehow hoodwinked people into paying her money to draw all day long. When she's not illustrating and writing, she thinks a lot about plants, animals, music and books.
