I Should Know That: Great Britain Everything You Really Should Know About GB

Emma Marriott

Description

From icons of British history to geography, and the economy to the legal system, *I Should Know That: Great Britain* covers a wide range of topics, filling in all those embarrassing gaps in your knowledge of this fair isle.

Inspired by the UK citizenship test, this useful and interesting guide includes sections such as essential British history, the current political and legal system, migration to Britain, women's rights, geography and culture. Learn all about the Magna Carta, the House of Lords, the Old Bailey and the Commonwealth, and more light-hearted topics such as allotments, pets, haggis and marmite, while scoffing at the unfortunate but hilarious gaffes made by our politicians.

Packed full of information, this entertaining and fact-filled guide to Great Britain is perfect for anyone who wishes that they were a more informed citizen.

Sales Points

- Inspired by the UK Citizenship Test, this guide includes everything you really should know about Great Britain, with humorous quotes from our politicians – who really should know better
- Covers a range of topics including history, geography, culture and the political and legal system
- The perfect purchase to improve and test your knowledge of your own country
- From the publishers of the *Sunday Times* bestselling *Remember, Remember*, over 150,000 copies sold

Reviews

- 'A new book covering a range of topics from geography and history to politics and society explains our wonderful country's quirky character' - *Daily Express*
- 'A fun guide to Great Britain, covering a range of key topics on our fair land' - *Daily Mail*
