CATALOGUE
JANUARY – JUNE 2025

Michael O'Mara Books is a proudly independent publisher based in London. For over 35 years we have been cultivating a reputation that is nimble, strategic, and passionate, proving ourselves to be a powerful commercial force in publishing worldwide. We are dependent on the curiosity and creativity of our authors, illustrators, and employees to deliver an inspiring, trend-led list of titles that engages a broad readership. Across our three imprints we uphold a commitment to sustainability, implementing as many green policies and practices as possible in our publishing processes and working closely with charities that share our values.

At **Michael O'Mara Books** we specialize in creative and inspired adult non-fiction with authors ranging from Andrew Morton and Nicola Tallis to Marcus Chown and Simon Waterson. We are passionate about our books and publish an exciting and varied list – from history and popular science to language; sport and biography to puzzles; gift and humour to craft – that reaches readers across the world.

LOM ART is dedicated to showcasing the most talented artists from every corner of the globe. Our beautiful and contemporary artist-led books will unleash creativity in people of all ages across various disciplines. From Kerby Rosanes' mythical and quirky colouring books to gorgeously illustrated gift books, the list exhibits what's hot in the worlds of art and culture.

Our award-winning children's imprint **Buster Books** creates engaging books for curious young minds. Our list is home to out-of-this-world authors like Dr Maggie Aderin-Pocock, Mike Barfield and Gareth Moore and is brimming with titles to spark imagination and encourage exploration. The books will satisfy the keenest of puzzle masters, budding artists and the deepest of thinkers. Above all, they are to be enjoyed!

Buster Books is also the leading UK publisher of interactive **LEGO®** activity books through our partnership with Ameet Publishing. **LEGO®** has been recognized as the number one globally trusted brand by both adults and children and was recently named as the second biggest brand in the world, following Netflix.

Last but not least, Michael O'Mara Books also distributes books by the small but mighty independent children's fiction publisher **Guppy Books**. Set up in 2019 by award-winning publisher Bella Pearson, Guppy produces an eclectic, diverse and entertaining list of books for children from the age of five to eighteen.

World | £6.99 | Fiction | 9 years +

Publication date: 05/12/2024

An exciting pick-your-own-path adventure book for fans of *The Traitors* and *Among Us*.

Catch the aliens before they catch you! This out-of-this-world middle-grade fiction title immerses the reader in a page-turning alien adventure.

You are a brilliant young scientist who has been chosen for a research mission to a distant planet. On your way back to Earth, you are woken early from cryosleep by the ship's computer. It has detected an alien lifeform, but there doesn't seem to be any sign of one.

You look at your fellow crewmates and wonder if one of them has been taken over by an alien intelligence. Can you work out who can be trusted and who the aliens are before they take over your mind, too...?

This exciting adventure story for readers aged 9+ features a fast-paced branching structure with over 45 possible endings. At the end of each page there are two distinct options that will take the reader on different paths through the action – meaning that the reader controls the narrative (and their destiny!) throughout.

Approximately 20 illustrated puzzle missions are woven into the narrative at key turning points, so the reader is fully immersed in the story. Featuring gripping plot twists and atmospheric illustrations, this is an alien adventure like no other.

A brand-new puzzle adventure book that takes readers on a cosmic STEAM-themed quest.

The second book in a new puzzle adventure series takes readers on a thrilling space adventure in the company of Knutz, a STEAM whizz-kid, and canine super-inventor Boltz.

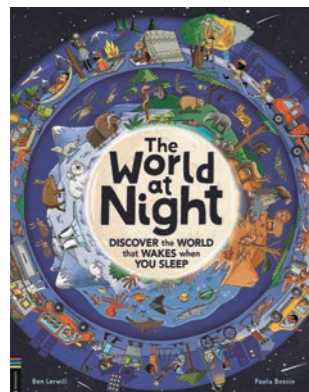

Knutz and Boltz are blasting off to a top-secret space station. A huge asteroid is hurtling towards Earth and the World Space Agency needs four astronauts to embark on an urgent mission to destroy it. With time running out and a rival team of astronauts – a girl and her cat sidekick – sabotaging their every move, Knutz and Boltz will need to use all their STEAM skills to stop the asteroid and save planet Earth.

Featuring an innovative mix of graphic-novel pages, zany prose and integrated puzzles, this thrilling adventure is guaranteed to engage kids aged 9+ in STEAM subjects. Across six chapters, readers will develop key science, technology, engineering, art and maths skills as they help Knutz and Boltz work their way through the challenges.

THE WORLD AT NIGHT

DISCOVER THE WORLD THAT WAKES WHEN YOU SLEEP

WRITTEN BY BEN LERWILL
ILLUSTRATED BY PAULA BOSSIO

ISBN: 9781780559339
280×216mm | 96pp
Full colour | Hardback
World | £12.99 | Reference | 8–12 years
Publication date: 13/03/2025

A beautifully illustrated journey around our world at night, as experienced by animals, humans and plants.

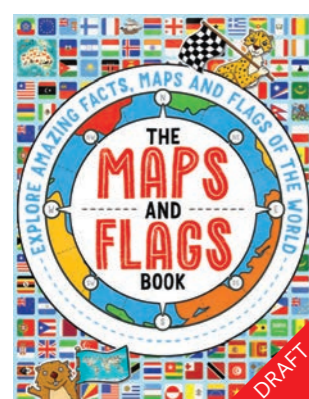

In the deepest, darkest depths of night, our planet is transforming and thriving ...

At night, magic is all around in the natural world, from bioluminescent seas in the Caribbean to the Northern Lights on Arctic winter nights. Explore the lives of animals who tread a different path under the cover of darkness, including the perilous journey taken by baby turtles in the moonlight and the global migration of bearded pigs. Discover nocturnal plants that have evolved to only bloom in the moonlight, and wild mushrooms that depend on their glow-in-the-dark superpower for survival.

Follow the people who wake to work hard through the night in towns and cities, such as hospital staff, fishing crews, bakers, firefighters, postal workers and security guards. Learn about our reliance on electric light across the world, and the human body clock's vital connection to light and darkness.

A glossary of all notable terms is included at the end of the book.

Filled with incredible facts and brought to life by Paula Bossio's beautifully quirky illustrations, *The World at Night* takes readers to the ends of the earth and everywhere in between to uncover the hidden wonders of our nocturnal planet.

A fun and challenging riddle book to exercise young minds.

From quick, easy riddles to keep young minds ticking over to longer riddles that involve some serious thinking power, this book is packed with brain-bending, rib-tickling conundrums to develop logic and lateral-thinking skills.

However, this is a riddle book with a difference. Once children have worked out the answer, they then need to find it in the illustration. Sometimes the answer will be hidden in a busy search scene, or sometimes it'll be among an array of objects. This increases the number of activities to do per page, which makes it all the more fun. There will be decoy options in the scenes as well to make searching more tricky, but kids can find all the answers at the back of the book if they get stuck.

Solve the riddle, search for the answer!
