***More Answers Than Questions* is a quiz book with a difference, with each quiz truly testing the depth and width of your knowledge.**

Description

More Answers Than Questions is a **quiz book with a difference**. Each quiz is composed of eleven questions. Question 1 requires a single answer, question 2, two answers, question 3, three answers and so on, up to question ten. Then there is a bonus question, the answer to which comprises anything between ten and fifty answers. These are quizzes that all the **family can work together to solve**, rather than trying to out-do each other by being the first to shout out a single correct answer to each question.

Subjects covered include: The Arts, Cinema, Food and Drink, General Knowledge, Geography, History, Literature, Music, The Natural World, Science, and much more besides. With **each quiz truly testing the depth and width of your knowledge**, *More Answers Than Questions* will provide many hours of family fun – and perhaps some bouts of frustration!
